iii. Purpose of TOEFL Primary test:

The TOEFL Primary Tests is to measure students’ English language communication skills and progress in English classes and provide meaningful feedback about their abilities. Assess the general English language proficiency of young students ages 8+.

Purpose of TOEFL Junior test:

The TOEFL Junior Test is a low- to medium-stakes assessment that measures the degree to which middle-school students have attained proficiency in the academic and social English-language skills representative of English-medium instructional environments. Usually these students are from ages 11-15. The TOEFL Junior test is a paper-based test.
